Dear Ms Fathers,

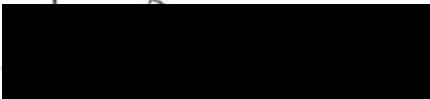

Re: Public Rights of Way – (Footpaths) – Nos – 330/1, 330/4, 330/5

I am the sole freehold owner of the land delineated on the attached map. The property Greys Cottage also has a Coach House – at present known as the flat.

I write to confirm the above mentioned Rights of Way (Footpaths) as indicated in red pen on the attached map are agreed by me.

Your Field Officer – Jonathan Beale came to see me and walked the Public Rights of Way with me. It was agreed that the holly be trimmed away from the trees where the yellow arrows indicate the Footpaths. Over the years, the yellow arrows have faded and I wonder if it would be possible to give the arrows another coat – to make them clearer ?

Yours sincerely,
